About ONCAT

The Ontario Council on Articulation and Transfer (ONCAT) drives innovation to help postsecondary learners get where they want to go, no matter where they begin.

To accelerate the expansion and enhancement of opportunities for learner mobility, ONCAT offers [research grants](#) for projects that generate new insights about issues related to learner mobility.

Contact information — Principal Investigator

The Principal Investigator is the person primarily responsible for the overall direction of research-related activities. The Principal Investigator is also the person primarily responsible for the administrative management of the project. ONCAT will direct all project correspondence to the Principal Investigator.

Principal Investigator Name	
Principal Investigator Title	
Principal Investigator Email	

Contact information — Co-investigator(s)

A Co-investigator is a person with shared responsibility for the overall direction of research-related activities.

If applicable, list the name, title, and email for any Co-investigator(s).

Project Title

Provide a preliminary title of your research project.

Project Summary

Use plain language so that your description can be understood by various stakeholders at postsecondary institutions (e.g., employees involved with policies and practices related to learner mobility).

**Provide a brief description of your project.
Identify the general activities you plan to undertake.
Limit your response to 200 words.**

Funding Request

*You can request a minimum of \$25,000 and a maximum of \$90,000 in funding for the project.
[Review the Budget Guidelines](#) for information about eligible expenses.*

Provide a preliminary estimate of funding requested for this project.
